unaudited. While the members of management responsible for the preparation of Schedules and Statements have made a reasonable effort to ensure that the Schedules and Statements are accurate and complete based on information known to them at the time of preparation and after reasonable inquiries, inadvertent errors may exist and/or the subsequent receipt of information may result in material changes to financial and other data contained in the Schedules and Statements that may warrant amendment of the same. Moreover, because the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment, there can be no assurance that these Schedules and Statements are complete or accurate.

These Global Notes and Statement of Limitations, Methodology and Disclaimer Regarding Debtors' Schedules and Statements (the "**Global Notes**") pertain to, are incorporated by reference in, and comprise an integral part of, the Debtors' Schedules and Statements. In the event of any inconsistency between the Global Notes and the Schedules and Statements, the Global Notes shall control and govern.

The Schedules and Statements have been signed by an authorized representative of the Debtors. In reviewing and signing the Schedules and Statements, this representative relied upon the efforts, statements and representations of the Debtors' other personnel and professionals. The representative has not (and could not have) personally verified the accuracy of each such statement and representation, including, for example, statements and representations concerning amounts owed to creditors and their addresses. Given the recent change in management and the Debtors' severely reduced staff with historical knowledge (and severely limited access to historical information), the Schedules and Statements are by their nature limited and no assurance can be provided that the information contained herein is complete or accurate.

Neither the Debtors, their agents, nor their attorneys guarantee or warrant the accuracy, the completeness, or correctness of the data that is provided herein or in the Schedules and Statements, and neither are they liable for any loss or injury arising out of, or caused in whole or in part by, the acts, errors or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information herein. While every effort has been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors and their agents, attorneys and advisors expressly do not undertake any obligation to update, modify, revise or re-categorize the information provided herein, to notify any third party should the information be updated, modified, revised or re-categorized. In no event shall the Debtors or their agents, attorneys and advisors be liable to any third party for any direct, indirect, incidental, consequential or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business or lost profits), whether foreseeable or not, and however caused, even if the Debtors or their agents, attorneys and advisors are advised of the possibility of such damages.

1. **Case.** On October 15, 2024, the Pottsville Debtors, filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code. On November 19, 2024, the Bankruptcy Court entered an order directing procedural consolidation and joint administration of the Pottsville Cases and Care Pavilion Cases [Docket No. 218]. Amendments. The Debtors reserve the right to amend the Schedules and Statements in all respects at any time as may be necessary or appropriate, including, without limitation, the right to dispute or to assert offsets or defenses to any claim reflected on the Schedules and Statements as to amount, liability, or classification, or to otherwise subsequently designate a claim as “contingent,” “unliquidated,” or “disputed”. A failure to designate a claim on any of these Schedules and Statements as disputed, contingent, and/or unliquidated does not constitute an admission that such claim is not subject to objection.

2. **Bedrock.** Bedrock is used generically to apply to the Bedrock companies generally and does not apply to the Debtor, Bedrock Care, LLC, unless specifically stated. Bedrock was used as an umbrella term to cover the facilities at issue in the Pottsville Cases and Care Pavilion Cases, among other facilities.

3. **Confidential Information.** There may be instances in the Schedules and Statements where the Debtors deemed it necessary and appropriate to redact from the public record information such as names, addresses, or amounts. The Debtors may have redacted certain confidential information on the Debtors’ Schedule and Statements. In addition, the Debtors may have redacted certain information where an agreement between the Debtors and a third party, concerns of confidentiality, the protection of sensitive commercial information, or concerns for the privacy of individuals, including employees, so requires.

In accordance with the *Order (I) Extending the Time to File Schedules and Statements; (II) Authorizing Consolidated Creditor Lists and Matrix; (III) Authorizing Certain Procedures to Maintain the Confidentiality of Patient Information as Required by Privacy Rules and Establishing Patient Notice Procedures; (IV) Establishing Employee Notice Procedures; and (V) Approving the Form and Manner of Notifying Creditors of Commencement of these Chapter 11 Cases* [Docket No. 281], the Debtors have not identified their specific patients and former patients in the Schedules and Statements.

4. **Estimates and Assumptions.** The preparation of the Schedules and Statements required the Debtors to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities on the date of the Schedules and

Statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

5. **Unknown Amounts.** Some of the scheduled liabilities are unknown and unliquidated at this time. In such cases, the amounts are listed as “Unknown” or “Unliquidated”. Because certain scheduled liabilities are unknown and unliquidated, the Schedules and the Statements do not accurately reflect the aggregate amount of the Debtors’ liabilities.

6. **Pre-Petition vs. Post-Petition.** The Debtors have sought to allocate liabilities between the pre-petition and post-petition periods based on the information derived from research and investigation conducted during the preparation of these Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between pre-petition and post-petition periods may change. The liabilities listed on the Schedules do not reflect any analysis of claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all rights to dispute or challenge the validity of any asserted claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any documents or instrument related to any creditor’s claim.

7. **GAAP.** Given the difference between the information requested in the Schedules and Statements, and the financial information utilized under generally accepted accounting principles in the United States (“GAAP”), the aggregate asset values and claim amounts set forth in the Schedules and Statements do not necessarily reflect the amounts that would be set forth in a balance sheet prepared in accordance with GAAP.

8. **Asset Values.** It would be prohibitively expensive, unduly burdensome, inefficient, and time-consuming to obtain additional market valuations of the Debtors’ property interests. Accordingly, to the extent any asset value is listed herein, and unless otherwise noted therein, net book values rather than current market values of the Debtors’ property interests are reflected in the applicable Schedule. As applicable, assets that have been fully depreciated or were expensed for accounting purposes have no net book value. The Debtors reserve the right to amend or adjust the value of each asset or liability as set forth herein.

9. **Setoff or Recoupment Rights.** The Debtors have not included on Schedule D parties that may believe their claims are secured through set off rights, deposits posted by or on behalf of the Debtors, or inchoate statutory lien rights. The Debtors routinely incur recoupments and setoffs and net payments in the ordinary course of business. Due to the voluminous nature of setoffs and recoupments.

10. **Co-Obligors.** No claim set forth on the Schedules and Statements of the Debtors is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by another party.

11. **Causes of Action.** The Debtors reserve all of their causes of action. Neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such cause of action. Likewise, the failure to list a cause of action in question 74 of Schedule A/B or SOFA question 7 shall not be deemed a waiver of any such cause of action. Furthermore, nothing

contained in the Schedules and Statements shall constitute a waiver of rights with respect to these Chapter 11 Cases, equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers.

12. **Other Contingent and Unliquidated Claims or Causes of Action.** The failure to list any such claims or causes of action in the Schedules and Statements, including in response to Schedule A/B question 75, is not an admission that such cause of action, claim, or right does not exist, and should not be construed as a waiver of such cause of action, claim or right.

13. **Insiders.** In instances where the Schedules and Statements require information regarding “insiders,” the Debtors have included information with respect to the individuals and entities who the Debtors believe may be included in the definition of “insider” set forth in section 101(31) of the Bankruptcy Code during the relevant time periods. Such individuals may no longer serve in such capacities. As stated above, the Debtors are continuing to work through their financials and payment histories. Given the recent change in management and severely reduced staff with historical knowledge of this information, the Debtors are unable to complete SOFA 4 and 30 at this time and will supplement as soon as possible when the information becomes available.

The listing of a party as an insider is not intended to be, nor should it be, construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims and defenses are hereby expressly reserved.

14. **Intercompany Claims.** As described more fully in the *Debtors’ Motion for Entry of Interim and Final Orders (A) Authorizing the Debtors to (I) Maintain Their Existing Bank Accounts and Cash Management System and Pay Bank Fees, (II) Waive Certain U.S. Trustee Requirements, and (III) Continue Using Existing Checks and Business Forms, (B) Authorizing and Directing the Debtors’ Bank to Honor all Employee Related Payment Requests, and (C) Granting Related Relief* [Docket No. 411] (the “**Cash Management Motion**”), the Debtors regularly engage in intercompany transactions in the ordinary course of business. The Bankruptcy Court has granted the Debtors authority to continue such intercompany transactions in the ordinary course of business pursuant to the order granting the Cash Management Motion [Docket No. 429]. Prior to the Petition Date, the Debtors also regularly engaged in intercompany transactions with certain affiliates that are now that are being jointly administered.

While the Debtors have endeavored to list transfers to insiders in SOFA 4, it has excluded intercompany cash movements that are ordinary cash sweeps between certain affiliate accounts, and which occur daily and in the ordinary course of the Debtors’ businesses, as described in the Cash Management Motion. And, as stated above, the Debtors are continuing to work through their financials and payment histories. Given the recent change in management and severely reduced staff with historical knowledge of this information, the Debtors are unable to complete SOFA 4 at this time and will supplement as soon as possible when the information becomes available.

15. **Intellectual Property.** The exclusion of any intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred. The Debtors reserve all rights with respect to the legal status of any and all such intellectual property.

16. **Summary of Significant Reporting Policies and Practices.** The following conventions were adopted by the Debtors in preparation of the Schedules and Statements:

- a. **Fair Market Value; Book Value.** Unless otherwise noted therein, the Schedules and Statements reflect the carrying value of the liabilities as listed in the Debtors' books and records. Where the current value of assets is unknown, the Debtors have used their valuation on book values net of depreciation. The Debtors reserve the right to amend or adjust the value of each asset or liability set forth herein.
- b. **Cash.** Any cash balances in the Debtors' bank accounts set forth in Schedule B are based on the bank account balances as of the Petition Date.

Additionally, the Court, pursuant to the *Final Order Pursuant to Section 366 of the Bankruptcy Code: (A) Prohibiting Utilities From Altering, Refusing or Discontinuing Services to, or Discriminating Against, the Debtors on Account of Prepetition Invoices; (B) Determining that the Utilities are Adequately Assured for Future Payment; and (C) Establishing Procedures for Determining Requests for Additional Assurance* [Docket No. 430], has authorized the Debtors to provide adequate assurance of payment for future utility services. Such deposits are not listed on Schedule A/B, Part 2.

- c. **Interests in Insurance Policies.** Insurance policies reflected on Schedule A/B are intended to include all policies in which the Debtor and/or its affiliated Debtors have an interest and are not limited to specific policies in which the Debtor is a named insured.
- d. **Disputed, Contingent and/or Unliquidated Claims.** Schedules D, E and F permit the Debtors to designate a claim as disputed, contingent and/or unliquidated. A failure to designate a claim on any of these Schedules and Statements as disputed, contingent, and/or unliquidated does not constitute an admission that such claim is not subject to objection. The Debtors reserve the right to dispute, or assert offsets or defenses to, any claim reflected on these Schedules and Statements as to amount, liability, or status.
- e. **Gross Revenue from Business.** Although reasonable efforts have been made to ensure the accuracy of SOFA question 1, the information presented is based on the information available at the time the statements were prepared. The Debtors reserve all rights to amend SOFA question 1, as necessary.

- f. Payments Made within 90 Days prior to the Petition Date and Payments to Insiders within One Year of Petition Date. The information presented in SOFA question 3 is obtained from the Debtors' general ledger data instead of bank records to determine the intercompany transfers involving the Debtors and their potential affiliates. Payments made in the ordinary course of the Debtors' business to employees for salaries, wages, bonuses, commissions, and employee benefits, payroll taxes and sales taxes were omitted from the SOFA question 3. Moreover, payments are listed in response to SOFA questions 3 and 4 without regard as to whether such payments were made on account of antecedent debt, and the Debtors reserve all of their rights with respect to such issue. The Debtors are continuing to work through their financials and payment histories. Given the recent change in management and severely reduced staff with historical knowledge of this information, the Debtors are unable to complete SOFA 3, 4, and 30 at this time and will supplement as soon as possible when the information becomes available.
- g. Undetermined Amounts. The description of any amounts as "unknown," "TBD" or "undetermined" is not intended to reflect upon the materiality of such amount.
- h. Statement of Financial Affairs – Payments or Transfers to Creditors. The information presented in SOFA question 3.
- i. Statement of Financial Affairs – Suits and Administrative Proceedings. Although the Debtors have attempted to list in question 7 all known claimants with pending suits or administrative proceedings, certain actions may have been inadvertently omitted. The information presented is primarily as of the Petition Date. The information also includes suits from recent mail received at the Debtors' facilities, insurance claim agents, and general searches of court records. The Debtors reserve all of their rights with respect to any such claims or causes of action they may have and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver if any such causes of action.
- j. Statement of Financial Affairs – Payments Related to Bankruptcy. Payments presented in question 11 are made to various professional services firms for services rendered within one year immediately preceding the Petition Date. The information presented in question 11 is as of the Petition Date. The services rendered pertain to (i) debt restructuring and liquidity management, (ii) relief under the Bankruptcy Code, (iii) preparation of bankruptcy petitions and filings, and/or (iv) bankruptcy financing. Information regarding the Debtors' retention of professional service firms is more fully described in the individual retention applications and related orders.
- k. Statement of Financial Affairs – Property Held for Another. As described in the Cash Management Motion, the Debtors maintain resident accounts with

PNC Bank, which hold personal funds belonging to individual residents. The accounts are funded by residents of the Debtors' nursing facilities, often through social security funds, pension checks and gifts to residents. In accordance with the *Order (I) Extending the Time to File Schedules and Statements; (II) Authorizing Consolidated Creditor Lists and Matrix; (III) Authorizing Certain Procedures to Maintain the Confidentiality of Patient Information as Required by Privacy Rules and Establishing Patient Notice Procedures; (IV) Establishing Employee Notice Procedures; and (V) Approving the Form and Manner of Notifying Creditors of Commencement of these Chapter 11 Cases* [Docket No. 281], in response to SOFA question 21, the Debtors have not identified the specific residents maintaining trust funds in the accounts, and have instead consolidated the various trust funds into one entry.

1. Statement of Financial Affairs – Books, Records and Financial Statements. The Debtors provide certain parties, such as banks, auditors, potential investors, vendors, and financial advisors, with financial statements that may not be part of a public filing. The Debtors do not maintain complete lists or other records tracking such disclosures. Therefore, the Debtors have provided lists of these parties in their responses to SOFA question 26 only to the extent such information was available upon recollection from Debtor personnel.
- m. Statement of Financial Affairs – Payments, Distributions or Withdrawals to Insiders. Payments presented in SOFA question 30. The Debtors are continuing to work through their financials and payment histories. Given the recent change in management and severely reduced staff with historical knowledge of this information, the Debtors are unable to complete SOFA 3, 4, and 30 at this time and will supplement as soon as possible when the information becomes available.

17. **Schedule A/B.** The bank account balances in Schedule A/B question 2.

18. **Schedule D.** Each Debtor is a joint and several borrowers on the loans from Dime Community Bank, Metropolitan Bank and BankFinancial, NA for the full amount of the loans. Therefore, the debts listed on Schedule D are in the full amount for each Debtor and not allocated.

Although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the recharacterization of the structure of any such transaction or any document or instrument related to such creditor's claim except as otherwise agreed to pursuant to a stipulation or an agreed order or any other order entered by the Bankruptcy Court. No claim set forth on Schedule D is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only as a summary. Reference to the applicable loan agreements and related documents necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such

agreements. The Debtors reserve all rights to amend Schedule D to the extent that the Debtors determine that any claims associated with such agreements should be reported on Schedule D. Nothing herein shall be construed as an admission by the Debtors of the legal rights of a claimant or a waiver of the Debtors' rights to recharacterize or reclassify a claim or contract.

19. **Schedule E/F.** The Debtors' analysis of potential priority claims is ongoing, and any amounts listed as priority claims on Schedule E/F remain subject to such analysis. Amendments will be made to Schedule E/F, as necessary. Although reasonable efforts have been made to identify the date of incurrence of each claim, determining the date upon which each claim on Schedule E/F was incurred or arose would be unduly burdensome and cost prohibitive, and therefore, the Debtors do not list a date for each claim on Schedule E/F.

Schedule E/F reflects prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption, or assumption and assignment, of executory contracts and unexpired leases. Schedule E/F does not include potential rejection damage claims, if any, of the counterparties to executory contracts and unexpired leases that may be rejected in the future.

Pursuant to the *Final Order (I) Authorizing the Debtors to Pay Certain Prepetition Wages, Benefits and Other Compensation Obligations, (II) Authorizing Financial Institutions to Honor All Obligations Related Thereto, and (III) Granting Related Relief* [Docket No. 247] (the "**Wage Order**"), the Debtors were authorized to pay, and did pay, certain prepetition claims for employee wages and other related obligations. To the extent parties were paid pre-petition amounts owed to such parties pursuant to the authority granted in the Wage Order, such parties are not listed in the Schedules.

20. **Schedule G.** Although reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors may have occurred. Certain information, such as the contact information of the counterparty, may not be included where such information could not be obtained using reasonable efforts. Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement was an executory contract or unexpired lease as of the Petition Date, or that it is valid or enforceable. The Debtors hereby reserve all rights to dispute or challenge the validity, status or enforceability of any contracts, agreements or leases set forth on Schedule G, including contracts, agreements or leases that may have expired or may have been modified, amended and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents that may not be listed on Schedule G, and to amend or supplement Schedule G as necessary. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payments, indemnifications, options to purchase, rights of first refusal and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth separately on Schedule G. The Debtors reserve all rights with respect to such agreements.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contracts or

agreements are not impaired by the omission. Any and all of the Debtors' rights, claims, and causes of action regarding the contracts and agreements listed on Schedule G are reserved and preserved. Schedule G may be amended at any time to add any omitted contract, agreement, or lease.
